		Assistant Professor	\$55,000	\$108,055

* **MIN:** This is an aspirational minimum for current faculty. Hiring offers below this minimum -- or above the maximum -- require authorization as an exception.

** **DISCIPLINE:** Colleges should use the discipline of best fit when hiring a specific faculty position. For example, if Textiles is hiring a chemical engineer, the relevant range from Engineering should be used. If hiring in a discipline not included on this listing, HR may be asked to conduct a targeted market analysis.
